Paper Plate Turkey

Suitable For All Ages

20-30mins

WHAT YOU WILL NEED

- ★ Large and Small Paper Plates
- ★ Scissors
- ★ Glue
- ★ Brown, red, orange, yellow paint
- ★ Orange and red paper
- ★ Googly Eyes

A GOOD EXAMPLE IS...

HOW TO DO IT

- Take your large paper plate and cut several slits into one half of it (you can choose how many).
- Paint the other half of the large plate brown, and paint the whole small paper plate brown as well.
- Paint the slits on the large plate using your other paint colours.
- While the paint is drying, use orange and red paper to create the turkey's face.
- Attach the googly eyes and the paper facial features to the small plate to complete the turkey's face.
- Once everything is dry, glue the small plate onto the large plate — your paper plate turkey is finished!

WHAT CHILDREN WILL LEARN...

Children will develop their fine motor skills and enhance their creativity.
