# KICKSTART

## THIS WEEK AT KICKSTART...

Welcome to the latest edition of Keeping Up With Kickstart - our weekly newsletter keeping parents, families, schools, and the wider community connected to everything happening across Kickstart.

This week, children and families across our schools celebrated World Religion Day and took part in creative, active, and hands-on activities, from crafts and cooking to gymnastics and tennis, with teamwork and smiles throughout.

## CHILDCARE CORNER

This week at *Barton Moss Primary School*, we celebrated World Religion Day and Winnie the Pooh Day. The children explored themes of kindness, respect, and curiosity, while also enjoying some Pooh-inspired fun.

At *Mesne Lea Primary School*, creative minds were at work as the children enjoyed making their very own penguin headbands, showing imagination and enthusiasm throughout the activity.

Meanwhile, at *Waterloo Primary School*, the children got creative building noodle nests in a fun, hands-on activity that encouraged teamwork, imagination, and lots of smiles.

## SPORTS IN THE SPOTLIGHT

Our PE and School Sport provision has been full of energy and excitement this week!

At **Torkington Primary School**, Year 5 pupils have been developing their gymnastics skills, practising flips and balances while demonstrating excellent strength, control, and teamwork.

Meanwhile, at **Tottington Primary School**, pupils have had a great week starting to learn and practise their tennis skills, showing strong determination, coordination, and teamwork throughout the sessions.

It has been great to see such positive attitudes, teamwork, and enjoyment, and we're looking forward to more exciting activities and skill development next week.

## KICKSTART IN THE COMMUNITY

Family Club at **Westwood Park Community Primary School** is a friendly, safe place where families meet every Wednesday for fun activities, sports, crafts, and social time.

This week at **Westwood Park Community Primary School**, our Family Cooking Course got off to a great start. Families enjoyed a hands-on cooking session, making Air Fryer Cheesy Garlic Crumpets and sharing a fun, relaxed experience.

It was wonderful to see families cooking, learning new skills, and spending quality time together. The course will continue over the coming weeks, supporting family connection through practical cooking activities.

Stay tuned each week for more community highlights and upcoming events!
