- Step 2 – Make 2 holes near the top of the cup on opposite sides. (Ask a grown-up for help)
- Step 3 – Thread your string through both holes and tie a knot at the top so you can hang it.
- Step 4 – Push the straw through the same two holes and fill the cup with bird seed.
- Step 5 – Hang your bird feeder outside and enjoy watching the birds!

WHAT CHILDREN WILL LEARN...

The children will learn how to follow steps, use tools safely, and understand how to help look after birds.

KICKSTART'S TOP TIPS
