

Keeping Up With

KICKSTART

THIS WEEK AT KICKSTART...

Welcome to the latest edition of Keeping Up With Kickstart - our weekly newsletter keeping parents, families, schools, and the wider community connected to everything happening across Kickstart.

It's been a busy and enjoyable week at Kickstart, with our Holiday Clubs running at *St Matthew's Primary School*, *Mesne Lea Primary School* and *Bradshaw Hall Primary School*, alongside our sports camp at *Tottington Primary School*. Children took part in a wide range of creative, themed and active sessions.

Holiday Club activities were based around a Chinese New Year theme, with children enjoying crafts, role play, construction, messy play and board games. Children also celebrated Pancake Day, taking part in pancake-themed activities and fun challenges that added an extra element of excitement to the week.

Physical activity was part of every day, with sessions including football, basketball, cricket, yoga, ribbon dancing and fun movement challenges. At *Tottington Primary School*, our sports camp focused on target practice, gymnastics, football and nerf games, offering energetic and skill-based fun for all abilities.

Overall, it's been a fun and varied week, giving children the chance to be active, creative, try new activities and enjoy their time at Kickstart.
