

WHAT TO EXPECT...

Celebrating Holi – The Festival of Colour

At our next Family Club session, we'll be celebrating **Holi**, also known as the **Festival of Colour**.

Holi is a joyful celebration that comes from India and South Asia and is enjoyed by families all around the world. It marks the arrival of spring, a time for new beginnings, and celebrates kindness, friendship, and togetherness. Holi is also linked to stories that teach children about good overcoming evil and the importance of being caring and respectful to others.

One of the most exciting parts of Holi is the use of bright colours. Traditionally, families throw coloured powder and water as a fun way to celebrate, laugh together, and share happiness. Getting messy is all part of the fun — and it's encouraged!

Baby & Toddler Group – Colourful Play

In our Baby and Toddler Group, we'll be celebrating Holi in a safe, playful, and age-appropriate way. Children will have the chance to explore colours through sensory play, creativity, and messy fun — with parents and carers supporting them every step of the way.

Don't worry if things get a little colourful — that's part of the experience! A warm bath at home will wash it all away, so we kindly ask families to bring a spare set of clothes for their little ones.

What Children Gain from Holi Play

Exploring colours and textures through sensory play

Building confidence and curiosity

Sharing experiences with parents and siblings

Learning about different cultures in a fun, inclusive way

We're really looking forward to celebrating Holi together and filling Family Club with colour, laughter, and smiles
